What makes our schools the right choice for you?

Discover the advantages of learning in Newfoundland & Labrador

- 1 NISEP offers both public and private school options for you to choose from
- 2 All participating schools offer a standardized curriculum recognized by the Government of Newfoundland & Labrador Department of Education
- 3 Participating schools also offer french immersion, advanced placements, International Baccalaureate programs, as well as a partnership program with Memorial University
- 4 Enjoy a wide variety of individual and team sports, music and art programs, science and heritage fairs, drama festivals, plus many outdoor excursions and activities

Experience Newfoundland and have the time of your life

This is a rich and diverse culture, known for its warm hospitality, and safe, clean lifestyle

Homestay Program

NISEP students enjoy a complete immersion program - at school, in the community, and with their nurturing host families. All our host families go through mandatory security checks.

Adventure Paradise

Our seasonal climate invites a variety of adventurous outdoor activities like skiing and kayaking.

Each month, our NISEP team prepares group activities so that students can mingle and socialize with other visiting students.

A Family Atmosphere

Activities are geared towards families and groups to ensure everyone has fun.

Let it Snow!

Newfoundland gets a lot of snow and there are many winter sports and activities to enjoy.
